### Abstract

The report describes the establishment of the First International competition for the best research work among scientific and pedagogical staff “Slavery in the past and present”. The organizers were East European Historical Society, International Network Center for Fundamental and Applied Research (Washington, USA), and also KAD International (Effiduase-Koforidua, Eastern Region, Ghana). On December 20, 2020, the competition committee summed up the results of the competition and called the best 5 competitive works from the following countries: USA, Russia, Slovakia, Ghana.

**Keywords:** international competition, “Slavery in the past and present”, 2020 year.

On July 10, 2020, it was established the First (annual) International competition for the best research work among scientific and pedagogical staff “Slavery in the past and present”. The organizers were East European Historical Society, International Network Center for Fundamental and Applied Research (Washington, USA), and also KAD International (Effiduase-Koforidua, Eastern Region, Ghana).

The total prize fund of the First Competition is 2,250 USD.

On December 20, 2020, the competition committee summed up the results of the competition. Thus, according to the Protocol, the competition received works from the following countries: Russian Federation, USA, Ghana, Ukraine, Slovakia.

The competition scoring committee decided not to single out the three best works, but to distribute the prize fund in equal shares (\$ 450 each) between the five best works.

The following works were selected among the best:

- Peretyatko A.Yu. Perception of "white slavery" by Don pre-revolutionary authors: mechanisms of criticism and self-justification;
- Dudarev S.L., Ktitorov S.N. On the position of aul Armavir residents personal dependent people at in the period before elimination of the serfdom law in Russia;
- Klychnikov Yu.Yu. North Caucasian "hotbed" of the slave trade (trade of captives): to the problem statement;
- Šmigel' M. Metamorphoses of the Circassian slave trade (13<sup>th</sup>–19<sup>th</sup> centuries): Aspects of women as the "live goods";
- Jacob Owusu Sarfo. Eastern European slavery: An analysis of the health and productivity of serf-based economy between the 16th and 19th centuries.
